Chairman's Message

I have been at NTC for over 12 months now. Our performance for the year has been, well, a mixed bag. While there have been successes which we are happy about, there are still tall administrative and legal mountains to climb before we can say "we have arrived". With each passing day, however, there is clarity about issues that were obfuscated for long in a toxic mix of undefined roles, confused interpretation of laws and adversarial positions held by stakeholders, particularly, engineers and technologists. Today we are ready to chart a new direction that bolsters technology, strengthens technologists, and benefits Pakistan. The government's sharp pivot towards technology -- and technologists as professionals -- is now showing results. It has generated a rational discussion at multiple levels and is in sync with a major global shift from pure knowledge to usable skills.

Today, even laymen understand that engineering practice includes engineers, technologists and technicians who complement each other with unique skill sets to achieve desired results. Engineers cannot perform their functions without technologists, and technologists without technicians are incomplete. These professionals have different competencies that are not replaceable, but for employment and upward mobility, they must have equitable opportunities.

HEC and NTC are working closely with the government for a sustainable policy framework that 1) Creates a fully autonomous National Technology Council through an Act of Parliament, and 2) separates career paths for engineers and technologists in sectors where both are employed. It is our earnest endeavor to define a career path for technologists with the same entry-point-pay-scale as their colleagues, and similar promotions, albeit in a parallel service track.

To enhance skill sets of technologists, HEC has offered 200 overseas scholarships for MTech. and Ph. D programs. In the first round 26 scholars were selected and their placement in universities is in progress. NTC is working with universities running accredited B. Tech programs to start M. Tech and Ph.D. (Tech) programs after meeting HEC criteria. We are trying to create space for cross-fertilization. Where a technologist can move laterally into an engineering slot after going through an assessment process. Similarly, we are encouraging engineering universities to allow B. Tech graduates for admissions in M. Eng. programs after assessment.

I am happy that more and more institutions running bachelor's in technology programs are applying for accreditation, and graduates are registering themselves in increasing numbers. Only with a robust regulatory framework and stringent quality assurance protocols can we wash the societal stigma that is often attached to these professionals. HEI's are "factories" where skilled manpower is produced under the regulatory framework set by HEC and NTC. Success of our endeavors is measured on the touchstone of quality of graduates.

To raise standards, NTC has undertaken a major exercise to develop curriculum for engineering technology programs based on OBE and OBA models that are in substantial compliance with the Sydney Accord. We are working on curriculum for 10 (ten) streams in the first phase.

NTC's singular purpose is strengthening the technology sector with robust quality assurance protocols that helps produce skilled graduates to become powerful factors of production in Pakistan's development. It is heartening to note that technologists have acted professionally and given NTC strength to address their concerns in different forums more effectively. We are a family. Pulling in unison we can achieve great results. Together we shall clear the historic debris and afford you fair opportunities to excel in your areas of expertise. For this I need your continuous support!

I would like to thank HEC, Ministry of Education and Professional Training and Planning Commission of Pakistan for their support in our efforts. And finally, I thank technologists for the trust and support they have given NTC.

Thank you and God bless you all!

Imtiaz H. Gilani

National Technology Council

Annual Report (2020-2021)

1. Introduction:

National Technology Council (NTC) is a subsidiary of HEC with a mandate to regulate technology education at graduate and post-graduate levels in Pakistan and register engineering technologists on its roster. Through an intense Accreditation process, the regulatory framework ensures that defined standards are met by HEI's running technology programs. In particular, it is ascertained that technology education curricula are aligned with NTC and HEC guidelines, have substantial equivalence with international standards, ensure Continual Quality Improvement protocols, and are based on Outcome Based Education defined by the Sydney Accord.

2. Vision and Mission Statements:

Vision:

Transform Pakistan through technology by ensuring high quality teaching and training to develop Technologists for the benefit of society.

Mission:

To accredit higher education programs for graduate technologists, stimulate quality, innovation in teaching and training self-evaluation and accountability in higher education. Help higher education institutions (HEI's) to realize their academic objectives to produce high quality professional technologists for the benefit of society and maintain National Register of technologists.

3. Code of Ethics

The following code of ethics is to be strictly followed by Technologists registered with NTC:

3.1

<p>"And it is He who has made you successors upon the earth and has raised some of you above others in degrees [of rank] that He may try you through what He has given you. Indeed, your Lord is swift in penalty; but indeed, He is Forgiving and Merciful." 6:165</p>	<p>وَهُوَ الَّذِي جَعَلَ لَكُم مِّنَ الْأَرْضِ رِزْقًا وَمِنْ أُولَئِكَ تُرْبَعُونَ أَلَمْ يَعْلَمِ بِمِثْقَالِ ذَرَّةٍ مِّنَ الْأَرْضِ وَرِزْقَ الْعَالَمِ أَلَمْ يَعْلَمِ بِسُبْحَانِكُمْ فِي مَا هُمْ فِيهَا مَكِينٌ إِنَّ رَبَّكَ سَرِيعُ الْعِقَابِ وَإِنَّهُ لَغَفُورٌ رَّحِيمٌ ﴿١٦٥﴾</p>
<p>"And do not mix the truth with falsehood or conceal the truth while you know." 2:42</p>	<p>وَلَا تَلْبِسُوا الْحَقَّ بِالْبَاطِلِ وَالْبَاطِلُ بِالْحَقِّ وَأَنْتُمْ تَعْمَلُونَ ﴿٤٢﴾</p>
<p>"O you who have believed, avoid much [negative] assumption. Indeed, some assumption is sin. And do not spy or backbite each other. Would one of you like to eat the flesh of his brother when dead? You would detest it. And fear Allah; indeed, Allah is Accepting of repentance and Merciful." 49:12</p>	<p>يَا أَيُّهَا الَّذِينَ آمَنُوا اجْتَنِبُوا كَثِيرًا مِّنَ الظَّنِّ إِنَّ بَعْضَ الظَّنِّ إِثْمٌ وَلَا تَجَسَّسُوا وَلَا يَغْتَب بَّعْضُكُم بَعْضًا أَيُحِبُّ أَحَدُكُمْ أَنْ يَأْكُلَ لَحْمَ أَخِيهِ مَيْتًا فَكَرِهْتُمُوهُ وَاتَّقُوا اللَّهَ إِنَّ اللَّهَ تَوَّابٌ رَّحِيمٌ ﴿١٢﴾</p>
<p>"The repentance accepted by Allah is only for those who do wrong in ignorance [or carelessness] and then repent soon after. It is those to whom Allah will turn in forgiveness, and Allah is ever Knowing and Wise." 4:17</p>	<p>إِنَّمَا التَّوْبَةُ عَلَى اللَّهِ لِلَّذِينَ يَعْمَلُونَ السُّوءَ بِجَهَالَةٍ ثُمَّ يَتُوبُونَ مِن قَرْبٍ فَأُولَئِكَ يَتُوبُ اللَّهُ عَلَيْهِمْ وَكَانَ اللَّهُ عَلِيمًا حَكِيمًا ﴿١٧﴾</p>

<p>"O you who have believed, fulfill [all] obligations." 5:1</p>	<p>يَتَأْتِيهَا الَّذِينَ ءَامَنُوا أَوْفُوا بِالْعُقُودِ ﴿١﴾</p>
<p>And the retribution for an evil act is an evil one like it, but whoever pardons and makes reconciliation - his reward is [due] from Allah. Indeed, He does not like wrongdoers.42:40</p>	<p>فِيمَا رَحِمَهُ مِنَ اللَّهِ لَيْتَ لَهُمْ وَوَكُنْتَ قَطًّا غَلِيظَ الْقَلْبِ لَأَنْقَضُوا بِحَوْلِكَ ۗ فَانْعَفُ عَنْهُمْ وَاسْتَغْفِرْ لَهُمْ وَشَاوِرْهُمْ فِي الْأَمْرِ فَإِذَا عَزَمْتَ فَتَوَكَّلْ عَلَى اللَّهِ إِنَّ اللَّهَ يُحِبُّ الْمُتَوَكِّلِينَ ﴿١٦٨﴾</p>
<p>And whoever saves one - it is as if he had saved mankind entirely.5:32</p>	<p>فَكَأَنَّمَا أَحْيَا النَّاسَ جَمِيعًا ۗ</p>
<p>And cooperate in righteousness and piety, but do not cooperate in sin and aggression. And fear Allah ; indeed, Allah is severe in penalty.5:4</p>	<p>وَتَعَاوَنُوا عَلَى الْبِرِّ وَالتَّقْوَىٰ ۗ وَلَا تَعَاوَنُوا عَلَى الْإِثْمِ وَالْعُدْوَانِ ۗ وَاتَّقُوا اللَّهَ ۗ إِنَّ اللَّهَ شَدِيدُ الْعِقَابِ ﴿٤﴾</p>
<p>But if you do good and fear Allah - then indeed Allah is ever, with what you do, Acquainted.4:128</p>	<p>وَإِنْ تَحْسَبُوا أَنَّكُمْ مُّسْلِمُونَ فَإِنِ اللَّهُ كَانَ بِمَا تَعْمَلُونَ خَبِيرًا ﴿١٢٨﴾</p>

3.2 Technologists shall uphold honor and integrity and advance the dignity of the technology profession by:

- o Using their knowledge and skills for improvement of human health, safety, and welfare
- o Being honest and impartial and serve with fidelity the public, their employees, and
- o Striving to increase the competence and prestige of the technology profession and supporting the professional and technical societies of their disciplines.

3.3 Technologists, in the fulfillment of their professional duties, shall:

- o Hold paramount the safety, health, and welfare of the public
- o Perform services only in areas of their competence
- o Issue public statements only in an objective and truthful manner
- o Act for each employer or client as faithful agents or trustees
- o Avoid deceptive acts
- o Conduct themselves honorably, responsibly, ethically and lawfully so as to enhance the honor, reputation and usefulness of the profession
- o Perform at their highest level
- o Participate only in honest enterprise
- o Live and work according to the divine and universally acceptable laws and the highest standards of professional conduct, and
- o Place service before profit, the honor and standing of the profession before personal advantage and the public welfare above all other considerations.

4. NTC's Engineering Technology Education Framework:

- o Engineering Technologists have skills that use science and mathematics to install, test, operate and maintain finished engineering products and processes.
- o Engineering Technologists must spend minimum 70% of their time in the laboratory, field work or supervised industrial placement, and 30% in face-to-face classroom studies.

National Technology Council

- o The metrics used to measure %age time spent in classrooms learning or laboratory and SIT shall be contact hours and not credit hours.
- o In addition to technology-specific courses, curriculum for all technology programs should cater to compulsory common courses (General Education Requirements) taught face-to-face, preferably to mixed classes across disciplines, and as defined by the Curriculum Design Committee of NTC.
- o Academic programs should be flexible and allow students to graduate with any of the following options:
- o Course work, laboratory practice, credit earning project/s, and credit earning supervised and verifiable industrial training for a minimum of one semester, provided further that this option shall require prior approval of NTC.
- o Curriculum Design Committees (CDCs) must include 1) HEC, 2) NTC and, 3) HEI's along with coopted subject specialists from academia and industry.
- o NTC shall strive to provide scholarships to technology graduates for Master's and PhD programs from HEC, HEI's, international agencies and industry.

5. Activities During 2020-2021:

Major activities during 2020-2021 were:

5.1 Sixth Council Meeting

Sixth Meeting of National Technology Council was held on 27 October 2020 at 10:00 AM in Mural Hall, HEC, Islamabad. The Meeting was presided by Mr. Imtiaz Hussain Gilani, Chairman NTC. Salient points of the meeting are:

- i) Confirmation of the Minutes of 5th Council meeting held on 23rd Jan 2020.
- ii) Progress on actionable points of 5th Meeting.
- iii) Clause 4: Inclusion of one Member from Associations of Technologists with a provision that if Associations fail to jointly nominate one person and nominate two or more persons, then Controlling Authority will appoint one Member out of them.
- iv) Clause 6 'c': In the case of vacancy occurring in the office of the Chairperson, instead of Member of Commission to be nominated by Chairman HEC to look after the duties, the Vice-Chairperson NTC, or in his absence, HOD of QAA-HEC may look after the duties of the Chairperson.
- v) Clause 7 'c': The quorum requirement for Council Meetings of 50%.
- vi) Council approved filling of all the empty posts as per necessity subject to funds availability and approved separate Selection Committees and Approving Authorities for various grades. Preference shall be given to applicant engineering technologists provided they fulfill the requirement of 'right man for the right job'.
- vii) The Council considered the Framework Meeting Report and appointed sub-Committee for a final review, in consultation with original Members of Framework Meeting and keeping the requirements of Undergraduate Education Policy 2020 issued by HEC.
- viii) It was decided that Technology Accreditation Board (TAB) cannot have functions of both Accreditation and Appellate Authority. TAB should be replaced by two Committees.
- ix) The Council appointed Committee to review the proposal regarding licensing for Professional Engineering Technologist.
- x) Payment to Members of Accreditation Inspection Committees for accreditation visits @ Rs. 10,000/- per visit to Convener, and Rs.10,000/- to each subject specialist, with TA/DA as per Govt./HEC rules.
- xi) In the light of Clause 3 and 5 of NTC Byelaws, the proposed recommendations for terms and conditions of employment of 4-years term of Chairman NTC were finalized for submission to Controlling Authority for approval.

xii) The permission to HEIs to have the option to reduce Supervised Industrial Training in ongoing permitted technology programs to one semester i.e. in 8th semester only.

a. Financial position of NTC:

(PKR Millions)

Financial Year	Allocations from HEC	Registration Fee	Accreditation Fee	Total Income	Expenditures	Balance
2015-16	2.00	-	-	2.00	0.40	1.60
2016-17	5.98	-	-	5.981	5.71	0.28
2017-18	6.00	2.60	3.75	2.351	7.911	4.44
2018-19	0.54	9.47	6.75	6.762	2.231	4.531
2019-20	4.00	8.611	7.902	0.513	0.38	0.142
2020-21	4.002	1.843	1.453	7.299	9.764	7.534
Total	2.53	2.52	9.85	4.90	6.38	8.51

b. Status of Accreditation Visits

Nature of visit	No. of visits conducted	No. of programs approved	No. of visits pending	No. of programs of pending visits
Zero visits (for permitting programs)	47	110	2	2
Interim visits 4th semester	3	5	5	7
Accreditation visits (7th-8th semester)	-	-	1	4
Total	50	115	8	13

National Technology Council

c. Registration of Technologists

Sr. #	Program	No. of Registered persons		
		Professional	Graduate	Total
1.	Civil	567	1642	2209
2.	Electrical	310	881	1191
3.	Mechanical	204	626	830

8.	Aviation	-	17	17
9.	Aircraft Maintenance	-	10	10
10.	Telecommunication	-	3	3
11.	Textile	-	2	2
Total		1,202	3,351	4,570

5.2 International Engineering Alliance Meeting 21-26 June 2021

International Engineering Alliance (IEA) holds an annual meeting (IEAM) in a member country by rotation. The objectives are to take cognizance of quality of engineering technology education globally and make improvements through a collective process. Additionally, "Global Reach Initiative Forum" is part of IEAM where countries who intend to apply for "Provisional Membership of Sydney Accord and Agreement" are encouraged and guided to communicate with the governing group for processing.

National Technology Council attended the online meeting of International Engineering Alliance held on 21st through 26th June 2021. Salient program of IEAM 2021 were:

- i. Welcome and Plenary Session: 08:00 (UTC) Monday 21 June 2021
- ii. Global Reach Initiative Session 1: Session 1 – 16:00 (UTC) Monday 21 June 2021
- iii. Mobility Perspectives and the IEA Agreements Open to all IEA delegates: 13:00 (UTC) Tuesday, 22 June 2021
- iv. Global Reach Initiative Session 2: Session 2 – 14:00 (UTC) Thursday 24 June 2021
- v. Closing session of the IEAM 2021: 21:00 (UTC) Friday 25 June 2021.

5.3 Accreditation of Engineering Technology Programs Status of Accreditation Visits (July 2020 - June 2021)

Sr #	Higher Education Institution	Dates of Visit	BSc Engineering Technology Program(s)	Status/Nature of Visit
1	Alhamd Islamic University, Islamabad	25-26 Aug 2020	Civil= 1	Zero Visit conducted & permitted from Fall 2020
2	University of Gujrat	21-22 Sep 2020	Chemical, Electrical, Mechanical	Zero Visit conducted & permitted from Fall 2018
3	Hamdard University Karachi	25-26 Sep 2020	Civil= 1 Mechanical (CoS)= One additional section	Zero Visit conducted & permitted from Fall 2020, however CoS was denied.
4	Balochistan UET Kuzdar Main, Uthal & Turbat campuses	28 Sep -3 Oct 2020	Civil, Computer, Electrical, Mechanical 4 at each campus	Zero Visit conducted & permitted from Fall 2020
5	GCT Hyderabad	5-6 Oct 2020	Civil, Electrical, Mechanical	Zero Visit conducted & permitted from Fall 2020
6	Govt. Habib College of Technology Nawabshah	7-8 Oct 2020	Civil, Electrical, Mechanical	Zero Visit conducted & permitted from Fall 2020
7	Karakorum International University Gilgit	12 -13 Oct 2020	Civil	Zero Visit conducted & permitted from Fall 2019

National Technology Council

8	GCT Larkana	14 -15 Oct 2020	Civil, Electrical, Mechanical	Zero Visit conducted & permitted from Fall 2020
9	City university Peshwar	20-21 Oct 2020	Civil, Electrical	Zero Visit conducted & permitted from Fall 2018
10	The Superior College, Lahore	27 -28 January 2021	Biomedical, Information	Zero Visit and permitted from Spring 2021
11	Iqra National University Peshawar	11-12 March 2021	Civil	ZV conducted & permitted Ex-post Facto w.e.f. Fall 2018
12	International Islamic University Islamabad	18-19 March 2021	Civil, Electrical, Mechanical	ZV conducted & permitted Ex-post Facto w.e.f. Fall 2018
13	Islamia University Bahawalpur	29 th – 30 th March 2021	Biomedical	ZV conducted & permitted w.e.f. Fall 2020
14	Khawaja Fareed University of Engg and IT Rahim Yar Khan	30- 31 March 2021	Civil, Mechanical	ZV conducted & permitted w.e.f. Fall 2021
15	Institute of Space Technology Islamabad	02 – 03 April 2021	Aircraft Avionics Maintenance	ZV conducted & permitted w.e.f. Fall 2021
16	Govt. College University Faisalabad	06-07 April 2021	Electrical	ZV conducted & permitted w.e.f. Fall 2020
17	Qurtuba University D I Khan	21-22 June 2021	Electrical	Zero Visit conducted and program permitted w.e.f. 2018
18	Govt. Swedish College Gujrat	17 th – 18 th June 2021	Mechanical	ZV conducted & permitted w.e.f. Fall 2018
19	UET Lahore KSK Campus	14- 15 June 2021	Electrical, Biomedical	Interim Visit
20	ISP Multan	21-22 June 2021	Civil, Electrical, Mechanical	Interim Visit
21	MNSUET Multan	23 - 24 June	Electrical	Interim Visit
22	MNSUAM Multan	25-26 June 2021	Agro Industrial	Interim Visit

5.4 Degree Awarding Institutions /Higher Education Institutions Offering Permitted Programs:
